**CITIZEN ADVISORY COMMITTEE  
RECRUITMENT**

The Northern New Hampshire Correctional facility is currently seeking volunteers to join the Citizen Advisory Committee. The Department of Corrections appreciates input and guidance from the citizens of New Hampshire in the development and implementation of strategic planning and policy directives governing the operation of our facility. If you are interested, the policy requires that you forward your resume and letter of interest to the Warden, Edward Reilly at the above address. Part of the process includes a criminal background check. After receiving a letter of interest and your resume, and upon completion of a criminal background check, all material shall be forwarded to the Commissioner of NHDOC for his review and approval.

Thank you,

Diane Bouthot  
Northern NH Correctional Facility  
Administrative Secretary
